**ORDER GRANTING MOTION TO EXTEND DEADLINE TO CONDUCT
DISCOVERY RELATED TO GULF NUCLEAR SITES**

Halliburton Energy Services, Inc. and DII Industries, LLC (together, “Halliburton”) have moved to extend the deadline to conduct discovery related to the Gulf Nuclear Sites. (Docket Entry No. 38). The request for additional time is reasonable. The parties may continue conducting discovery into the issue of whether the Gulf Nuclear Sites are part of the Petroleum Services Business. A hearing is set for **December 12, 2008, at 10:00 a.m.**, to discuss discovery issues and to set a new deadline for completing discovery on whether the Gulf Nuclear Sites are part of the Petroleum Services Business.

The court will rule on Halliburton’s request for clarification as to whether discovery

may be conducted on matters not related to the Gulf Nuclear Sites after a response is received or the time for response has passed.
